

ERIE EVENTS

2023
COMMUNITY
REPORT

FROM THE EXECUTIVE DIRECTOR

As I mark my one-year anniversary as Executive Director, I am pleased to present our 2023 Community Report. There is a lot to celebrate from this past year at our venues, including record-setting event activity at the Bayfront Convention Center and, of course, the Erie SeaWolves' first-ever Eastern League Championship. Erie Events and our staff take tremendous pride in bringing a diverse selection of live entertainment and sports to our community. Additionally, we are proud of the role we play in boosting our local economy through the attraction of large conventions and meetings associated with our Bayfront Landing properties.

Erie Events employs nearly 70 full-time associates and just under 750 part-time staff members. We operate the Erie Insurance Arena, Warner Theatre, Bayfront Convention Center, and UPMC Park, as well as the two hotels owned by Erie Events: Sheraton Erie Bayfront and Courtyard Erie Bayfront by Marriott. All our venues are supported exclusively by operating revenue and hotel occupancy tax. Erie residents enjoy our venues and provide no local tax dollars to support Erie Events or any of our facilities.

In the proceeding pages, you will read more about the venues we manage, along with some of the highlights from this past year. In 2023, we hosted nearly 728,000 fans and attendees across our facilities. There are many exciting things happening at Erie Events, and we hope you join us in celebrating our successes. I trust that you will find our report encouraging and informative, and I look forward to seeing you at one of our venues in 2024.

Gus Pine

FROM THE BOARD CHAIRPERSON

On behalf of the Erie Events Board of Directors and staff, I am excited to present our 2023 Community Report. We are extremely proud of our role as a world-class community institution in downtown Erie that has become so much a part of the social and cultural life throughout the city — and well beyond.

This past year was marked with tremendous strides in our organization. Under the leadership of Gus Pine, we expanded our offerings, providing a robust schedule of events and activation of collaborative partnerships within the Erie community, and implemented new patron experiences.

As we embark on another year, we will expand the diversity of our programming and services, reflective of an ever-evolving community. We are proud to bring artists, leaders, and communities together to enhance the quality of life for all people. At the heart of what we do — and what fosters our continued growth — are the things for which you rely on us the most:

- Our dedication to delivering high-quality events to as many audiences as we can
- Our commitment to delivering an outstanding patron experience to all those attending our events
- Our focus on growing as a leader in the community, recognizing the important role that entertainment and sports play in the lives of everyone

Whether you are attending your first event or have been a long-time patron of the Warner Theatre, Erie Insurance Arena, Bayfront Convention Center or UPMC Park, we appreciate your continued support. No matter your passion, no matter your interests, there is something for everyone at Erie Events.

Gwendolyn White

WARNER THEATRE

It's been two full years since the Warner Theatre's **\$36 million renovation, expansion, and restoration** was completed. In that time, the theatre has seen a tremendous increase in event activity. With the addition of the 4,000-square-foot Rehearsal Hall, the Warner can now host two separate events going on at the exact same time — a reception in the Grand Lobby and a wedding in the Rehearsal Hall.

Last year, the Warner had one of its most diverse schedule of events in the history of the theatre. Performances from the **United States Army Field Band**, **Joe Gatto**, and **MercyMe** to **Dark Star Orchestra**, the **Magic of Motown**, and **The Nutcracker** are just a sample of the various types of programming. **Jerry Seinfeld**, **Bob Dylan**, **Jeff Dunham**, **Aaron Lewis**, and **Nate Bargatze** attracted record crowds with six sold-out performances. After a very busy weekend in late October, the Warner stagehands logged 678 hours from working six performances over six consecutive days.

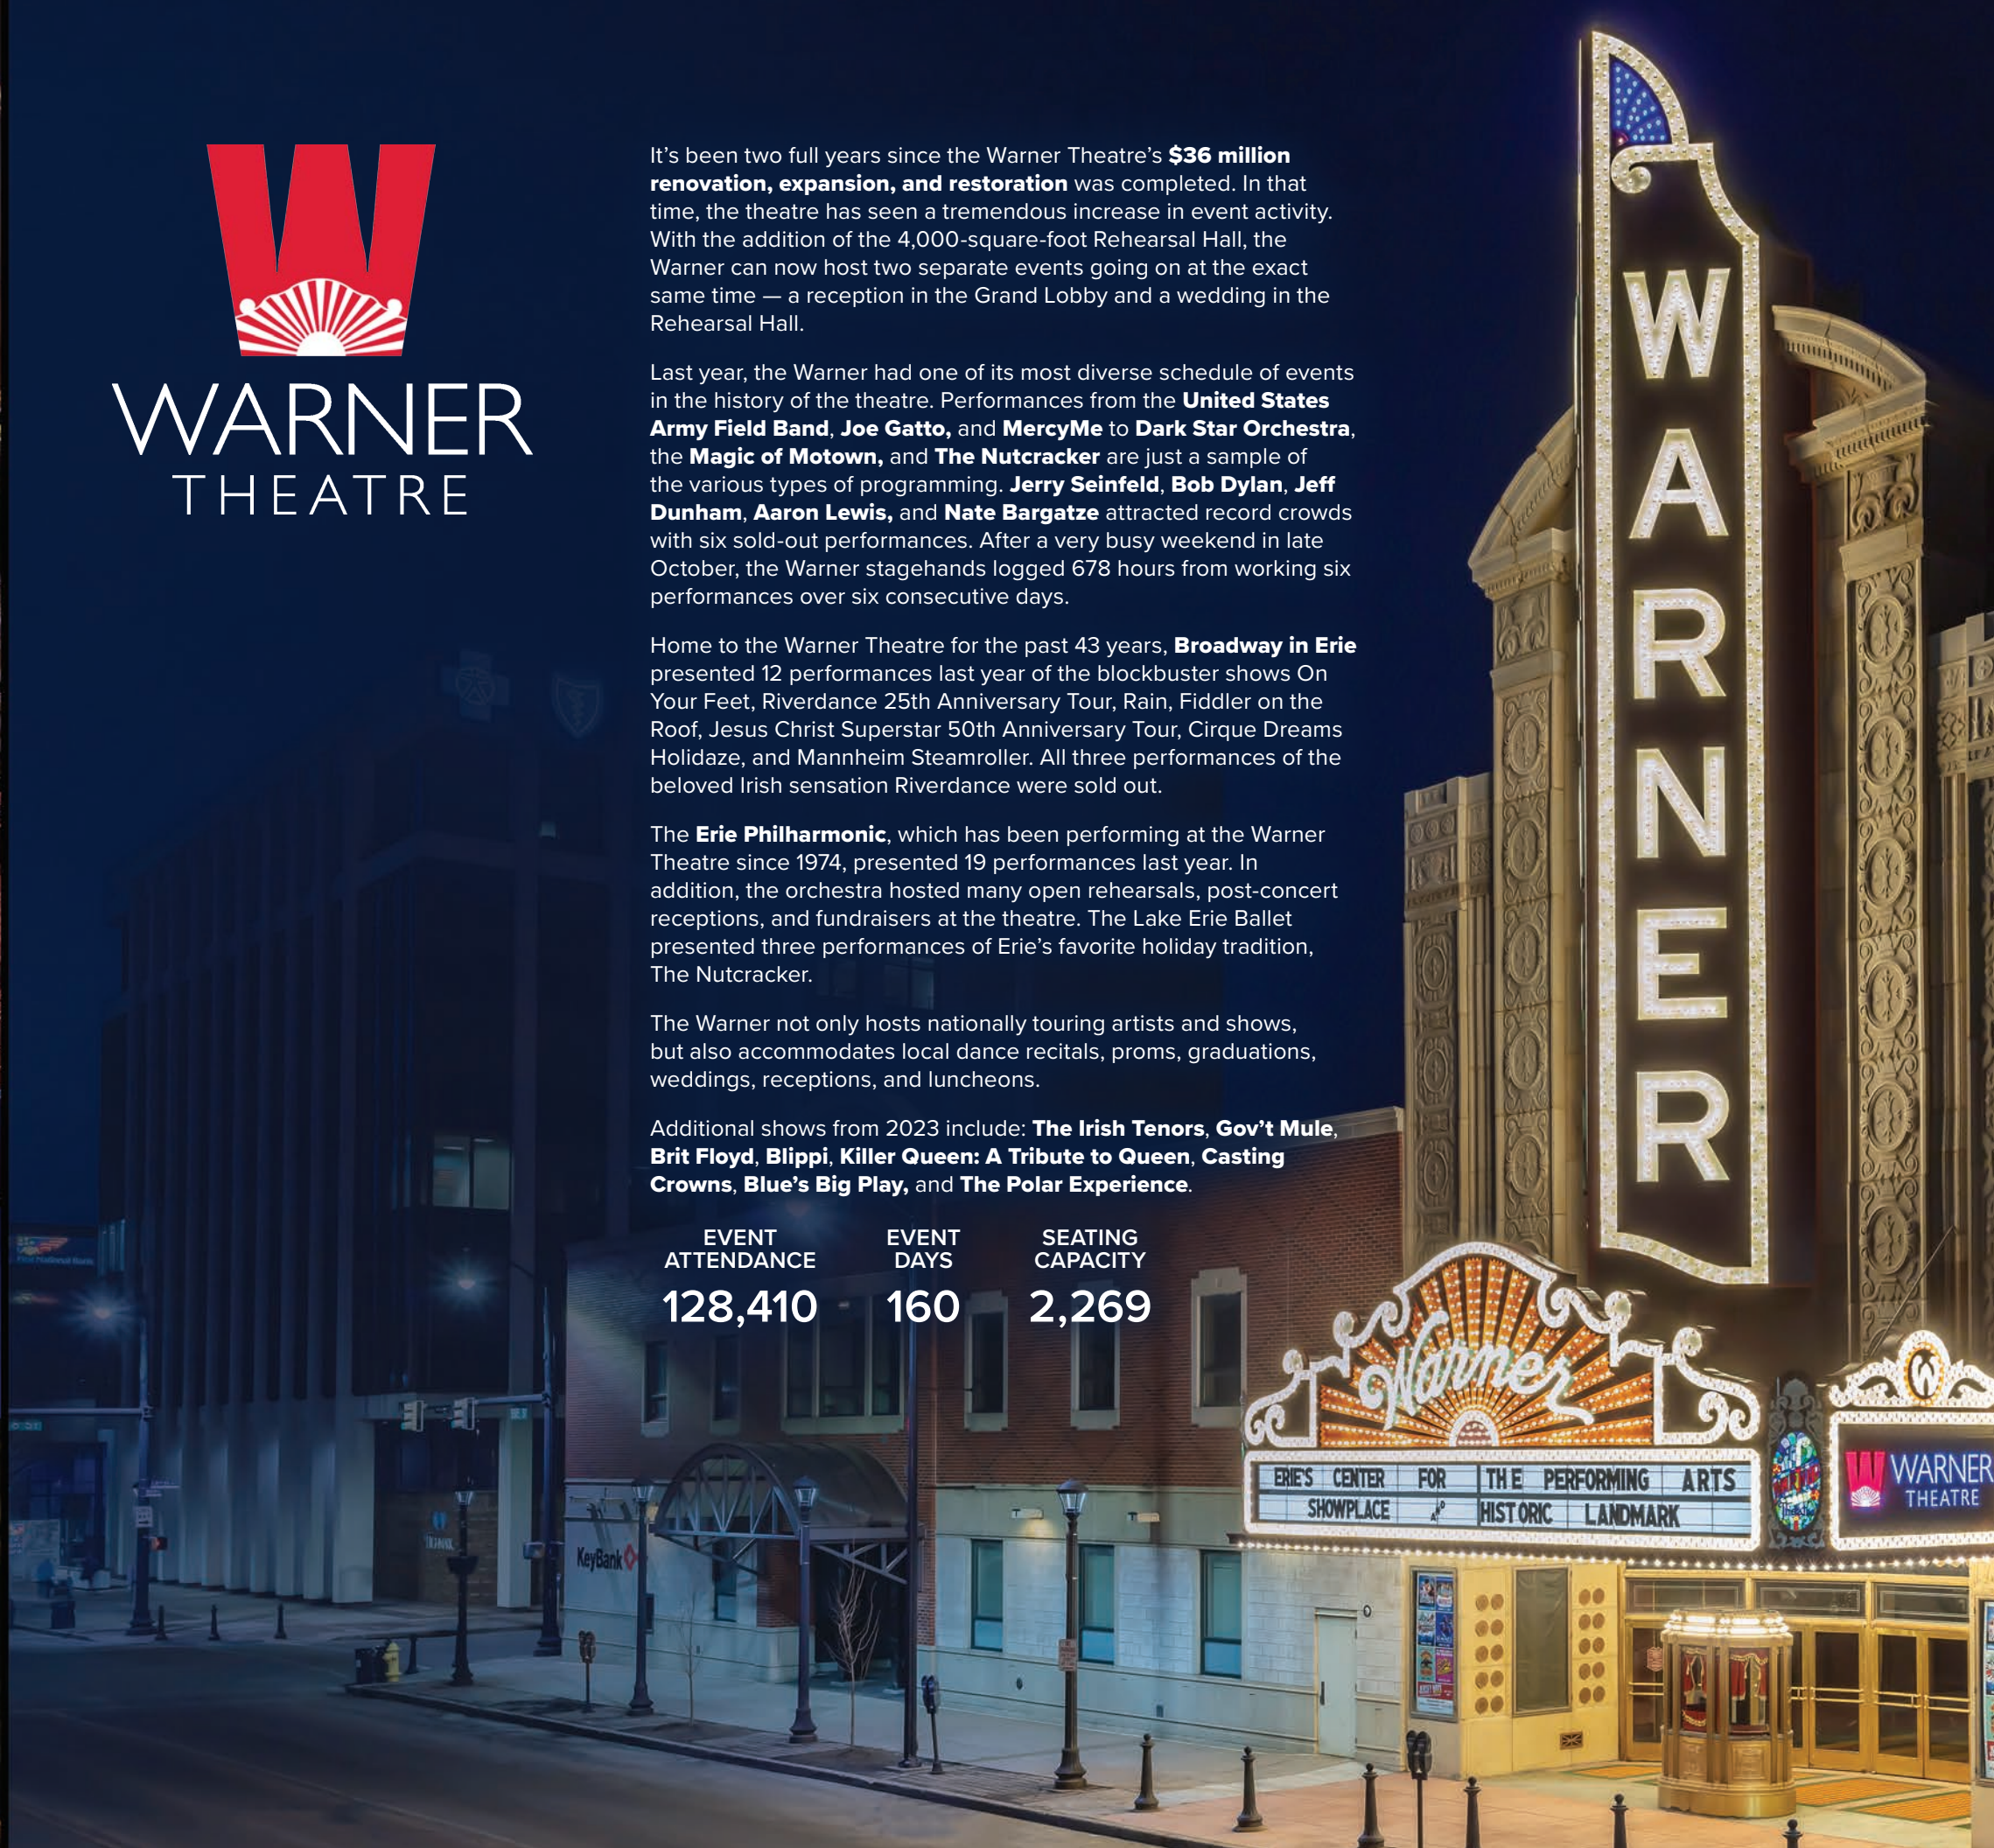

Home to the Warner Theatre for the past 43 years, **Broadway in Erie** presented 12 performances last year of the blockbuster shows *On Your Feet*, *Riverdance 25th Anniversary Tour*, *Rain*, *Fiddler on the Roof*, *Jesus Christ Superstar 50th Anniversary Tour*, *Cirque Dreams Holidaze*, and *Mannheim Steamroller*. All three performances of the beloved Irish sensation *Riverdance* were sold out.

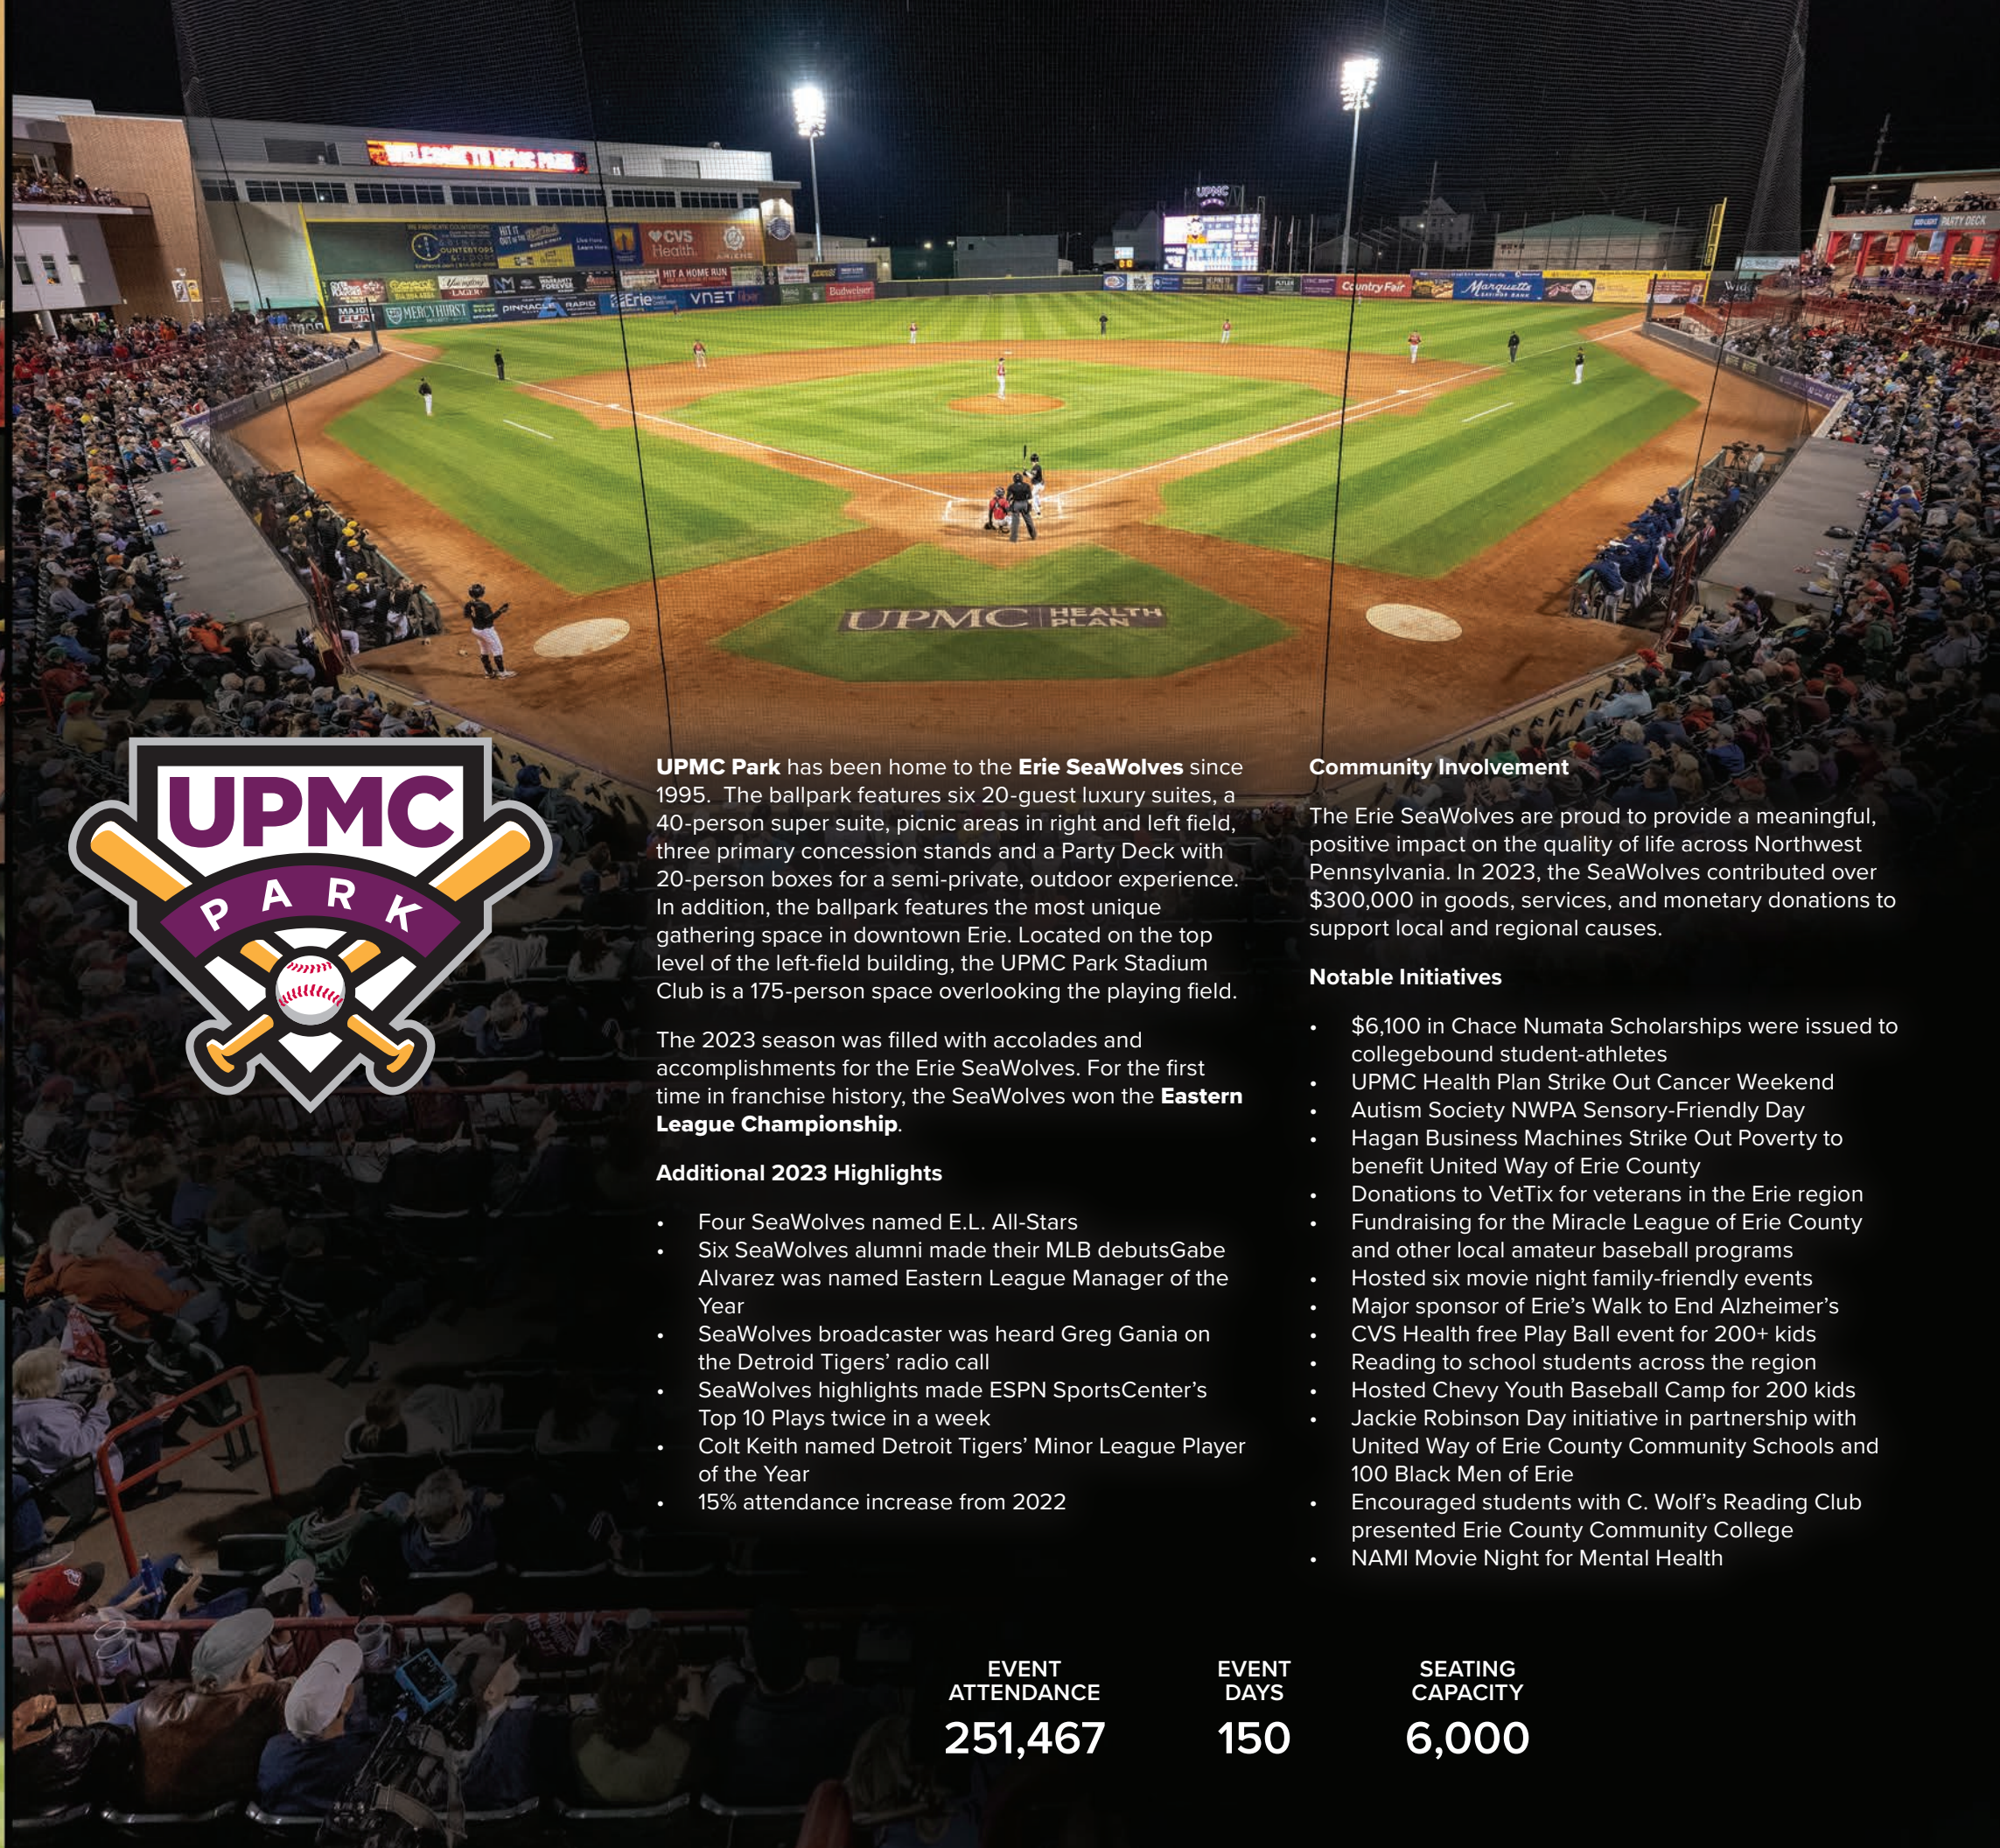

The **Erie Philharmonic**, which has been performing at the Warner Theatre since 1974, presented 19 performances last year. In addition, the orchestra hosted many open rehearsals, post-concert receptions, and fundraisers at the theatre. The Lake Erie Ballet presented three performances of Erie's favorite holiday tradition, *The Nutcracker*.

The Warner not only hosts nationally touring artists and shows, but also accommodates local dance recitals, proms, graduations, weddings, receptions, and luncheons.

Additional shows from 2023 include: **The Irish Tenors**, **Gov't Mule**, **Brit Floyd**, **Blippi**, **Killer Queen: A Tribute to Queen**, **Casting Crowns**, **Blue's Big Play**, and **The Polar Experience**.

In addition, the ballpark features the most unique gathering space in downtown Erie. Located on the top level of the left-field building, the UPMC Park Stadium Club is a 175-person space overlooking the playing field.

The 2023 season was filled with accolades and accomplishments for the Erie SeaWolves. For the first time in franchise history, the SeaWolves won the **Eastern League Championship**.
